THANK YOU!!!

First Annual Scholarship Shoot

We raised approximately \$2500 at the first annual CFA Scholarship Shoot! Although our shoot turnout was not as good as expected, our donation collection was fantastic. Thank you to everyone who made donations and to the shooters who made the Scholarship shoot a success.

Mary Tharp, Treasurer

- Mary presented an overview of income and expenses for the 2016 Triple Crown. We had a total profit of \$3,785 this year.
- High West will be implementing a 5.6% increase for the electricity. We will also see a \$30/mo increase for the LED lights that were put up in the parking lot.
- Total Scholarship funds collected thus far are \$343.35 - \$200 donation from Capital Lumber, \$100 donation from Butch Rupert, and \$43.35 from the TC donation bucket.

After review of the March treasurer's report, Bob Graham made a motion to accept the March treasurer's report as presented, Connie Crandall seconded motion; none opposed, motion carried.

Old Business

Trad Shoot/garage sale is May 21, 2016.

Scholarship shoot is April 12 & 14, 2016

Update – Bob Graham was the top fundraiser for the Scholarship Fund with donations totaling ~\$750. Kayla Ketterling brought in \$526 in pledges from the pledge sheets. Total raised was ~\$2500!! Total numbers will be available at the May meeting.

Access Yes shoot is May 10 & 12, 2016

Removal of the spotlights and replacement with vinyl elk and roadrunner signs has not been completed. Dan Conrad received a suggestion to put the original roadrunner in the middle with the elk and new roadrunner on each side. The reason for moving the signs was to avoid having them shot up. Bob Graham will schedule the removal and replacement. = **Update – Spot lights have been removed. Cost for all 3 new vinyl signs is \$165**

Connie Crandall is still working on getting a metal reflective sign donated. Should be available soon.

Mary Tharp - Requested permission to borrow the bows for the boy scouts on April 1 & 2. Permission was granted with no opposition. – **Update – A couple of the bows borrowed had issues and had to be repaired. All bows need to be inspected and repaired.**

Butch Rupert

- Requested update on when the new bow press would be set up in the office for use. Mary Tharp and Mike Lancaster will work on getting the table on the north wall and/or the bookshelves on the east wall cleaned and moved so the press can be set up.

- Butch Rupert's daughter quoted a price on the polo shirts with embroidery at \$15 per shirt rather than the \$30 per shirt we purchased prior. She would charge \$25-\$50 for the digitized images and the club would then own the images. Butch has a catalog with the same shirts and also t-shirts. We will contact Jeremy to see if we can get the images. – **Update – BHW shirts have already been started so we will look changes for next year. Mary will create a new sign-up sheet for additional shirts to get an idea on interest and further discussion will take place at a later date on who we will use for purchase of shirts.**
- Butch suggested we spray foam insulation in the target shed and put electric in the shed so we can keep the targets heated in the winter. Suggested we clean the garage and then spray. Al Tharp or Bob Graham will get an estimate on cost.
- RMAA shoot is June 26. Park vendor will have first refusal on food service. Dan Conrad will be meeting with RMAA prior to the shoot.
- Need to level and haul in rock or recycled asphalt, or pave parking lot. Estimates on grading, recycled asphalt, and pavement are being acquired. – **Update – Estimate to do a complete workover of parking including collection pond, culvert, grade, and crushed granite came in at \$26K. All agreed this is not feasible at this time. Tim Zacharias will provide an estimate for recycled asphalt and labor to spread and pack with roller at next meeting.**
- Butch suggested we contact High West Energy to inquire about “yard” lights in the parking lot. – **Update – work order was filed and locate has been completed. Al Tharp will follow-up to see when installation will be completed.**

Mary Tharp will be doing final analysis and recommendation to transfer funds from the checking account to CD or savings in April. – **Update – after analysis and based on current balance of ~\$46K in checking, Mary Tharp made the suggestion to move \$15K to a savings account. The funds could be moved to a CD, however, we would have to pay a penalty if we needed to pull them back. Mary will work with the bank to set up a new Savings account as well as a separate Savings account for the Scholarship fund.**
