UPCOMING EVENTS

A word from your President

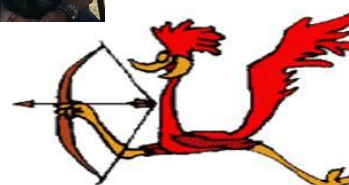

It seems hard to believe that September is here. I hope your hunts are successful. I want to thank everyone who helped with our Bowhunters weekend and to congratulate all the winners. I also want to thank everyone who attended. You are all winners and made this year a success.

We do not have a September Board meeting but decided to do a newsletter anyway. There are several issues that all our members need to be aware of now. We will be starting both the Sunday and Tuesday night leagues in October. There will be some pleasant changes this year so I encourage everyone to come out and give it a try. Remember that the whole idea here is self improvement and having FUN at the same time.

The second item concerns the club By Laws. The By Law committee met Wednesday September 1. The committee's recommendations will be presented at the October 4th Board meeting. If you have ANY changes or suggestions you need to either get that information to me 221-0950 or ATTEND that meeting in October. The changes will be presented to the board at that time and any revisions will be made before the November Board meeting. The final draft will then be presented to the Board in November. After that it will be TOO LATE to make any other changes. The revised By Laws will then be published in the November and December newsletter and voted upon at the January General Membership meeting.

A copy of the club rules is being included with this newsletter. Please read them again and note the part about removing your targets and keeping the range clean.

Thanks
Bob

Have Bow, Will Go!!

--Matt gets to shoot BowHunters weekend for the first time.

Womans Open

CHEYENNE FIELD ARCHERS

CLUB RULES

1. GUEST ARCHERS: A member may bring a guest to the Club three times. After the third visit, a fee of \$2.00 will be assessed. Leagues are open to the public.
2. CROSSBOWS PROHIBITED: Crossbows are not allowed on either the indoor or outdoor range, no exceptions.
3. BROADHEADS: Broadheads are not allowed unless the archer provides his or her own target butt suitable to stop broadheads.
4. CLEAN-UP: Every member shall be responsible for cleaning up after themselves, making sure everything is turned off (lights, heater, etc.), and locking the door when leaving the range.
5. USE OF RANGE: After an archer has finished with range, all targets should be removed from butts and properly disposed of. Target position should be moved after every 30 arrows so as to not blow holes in target butts.
6. DISCHARGING FIREARMS PROHIBITED: No person shall discharge any firearm in or around the Club. Any person doing so will have their membership revoked and be prosecuted pursuant to the laws of the State of Wyoming.

Next Board meeting
